Dear Mr. Nash:

This letter responds to your Freedom of Information Act/Privacy Act (FOI/PA) request letter dated September 26, 2012, addressed to the Drug Enforcement Administration (DEA), Freedom of Information/Privacy Act Unit (SARF), seeking access to DEA records pertaining to the above subject. We have completed the processing of your request and the following is our final determination.

With regard to your request for "*All DEA Microgram Bulletins...September 2012*" please be advised that our office has been advised by the DEA Office of Forensic Sciences (SF), that no further DEA Microgram publications would be released to the public as of January 2010, with the exception of those DEA Microgram Bulletins already available on the DEA website www.dea.gov. Therefore, no records are available to you.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you wish to appeal any denial of your request, you must make your appeal in writing and it must be received by the Office of Information Policy within sixty (60) days of the date of this letter pursuant to 28 C.F.R. § 16.9. The appeal should be sent to the following address, with the envelope marked "FOIPA Appeal":

UNITED STATES DEPARTMENT OF JUSTICE
OFFICE OF INFORMATION POLICY
NYAV BUILDING, 11TH FLOOR
WASHINGTON, D.C. 20530
